SAGAR FOREST DIVISION.

Notification dated 15th August 1930.

Sealed tenders are invited for the carting of timber in Sagar Division as noted in the annexed schedule.

2. The tenders should be addressed to the District Forest Officer, Sagar Division so as to reach him on or before Monday the 8th September 1930 at 4 P.M. Any tender received after the above mentioned date will not be taken notice of.

3. Each tender should be accompanied by an earnest money deposit of Rs. 100 in currency notes and should be registered, insured and superscribed "Tender for carting timber". Tenders may be submitted for one or more Forest Coupes or for any whole Range or Ranges.

4. The right of accepting or rejecting any tender is vested in the Conservator of Forests who is not bound to assign any reason for accepting or rejecting the highest or lowest tender. The rate to be offered should be per cubic foot and for each coupe and Depot. The successful tenderer or tenderers are required to enter into an agreement with the District Forest Officer, within a week of the intimation given to him or them, binding to observe the following conditions, in default of which, the contract is liable to be cancelled and earnest money forfeited to Government.

5. In fulfilment of the terms of the contract, he or they should deposit in the Government Savings Bank, a sum of Rs. 100 (rupees one hundred only) in the name of the District Forest Officer. The amount is liable to be forfeited to Government for the breach of any or all the conditions of the agreement and the contract cancelled.

6. The earnest money of the successful tenderer or tenderers will be retained towards a portion of the security for the fulfilment of the terms of the contract, after the bond is executed, and of others will be returned to the parties concerned.

Failure on the part of the Contractor to cart the timber as noted above entails the forfeiture of the whole or such portion of the security as the District Forest Officer deems fit. If the carting work of the contractor is slack, and if, in the opinion of the District Forest Officer, the contractor is not likely to discharge his obligations, the District Forest Officer will at once cancel the contract, forfeit the security, and make other arrangements for the carting of timber
